All bid applications shall be submitted on Ogemaw County Road Commission forms. All bids must bear the bidder's name and the name of material or services bid plainly marked on the outside of the envelope.

Bidder shall deliver and apply as required and directed in Ogemaw County.

All materials shall meet latest M.D.O.T. standard specifications and certification slips shall be furnished at time of delivery. May be used for MDOT projects. All materials supplied by the gallon must be on metered tickets that have current Certificate of Conformance and be inspected and tested by a Weights and Measures Official prior to delivery in accordance with P.A. 283 of 1964 as amended. Supplier shall also furnish material test results.

Bidder shall provide proof of insurance including but not limited to: general liability, automotive liability, and property damage, workers compensation, unemployment and all coverage required by law, and be listed as an insurance certificate holder, all directly from the insurance agency. Furthermore, bidder shall provide indemnification to the Ogemaw County Road Commission for any and all claims arising as a result of operations in the performance of the above services.

The Ogemaw County Road Commission reserves the right to renew the contract for additional one-year terms. Both parties shall mutually agree to each renewal. Pricing, terms and conditions of the first year of the contract will remain the same for any subsequent one-year renewal period.

Delivery shall be F.O.B. Ogemaw County Road Commission complex located at 1250 S. M-33, West Branch, Michigan or to job site within Ogemaw County. The supplier of the mineral well brine must be able to deliver and apply 60,000 gallons of brine per day during normal business hours.

The Commission reserves the right to accept or reject any or all proposals, to waive irregularities and or informalities and to make an award as may appear to them to be in the best interest of the Ogemaw County Road Commission.
