SPECIFICATIONS FOR CONTRACT M-33 PARK MAINTENANCE

It is the intent of the Ogemaw County Road Commission (OCRC) to subcontract for services to maintain the specified Michigan Department of Transportation (MDOT) parks according to the following specifications.

I. DESCRIPTION

The work consists of furnishing all labor, specified equipment, materials and supplies necessary for: (1) janitorial cleaning of buildings, grounds litter pickup, and (2) providing approximately 20 lawn maintenance cycles per year at the listed roadside parks according to the following specifications.

II. SUBCONTRACT PERIOD

This contract shall be in effect for two (2) years with two (2) – one (1) year options to extend.

The work shall begin in April 2021 and expire in October 2021. Payment shall be for approximately 26 weeks. Periods of work for 2022, 2023 and 2024 will be directed by MDOT. Each year shall be 26 weeks unless directed otherwise.

III. LOCATIONS

1. M-33, 7 miles north of Alger, Ogemaw County Road Side Park/429P

IV. BID ITEM

1. Cost per week to:

A. Provide a minimum two (2) hours maintenance coverage, per day, seven (7) days a week. Work to include: cleaning and re-supply materials for toilet buildings, cleaning map cases and well shelters, and litter removal/disposal from grounds and parking areas. Dumpsters are located at the Ogemaw County Road Commission location for disposal material.

B. Provide lawn maintenance cycle* which includes: grass mowing, grass trimming, and removal/disposal of lawn litter including trash and landscape debris such as leaves, sticks, grass clippings, organic debris, and animal droppings according to the following specifications.

*Approximately 20 lawn maintenance cycles per year dependent on seasonal weather conditions and grass growing patterns.

C. Septic Tank Pumping consists of pumping the one – 1,000 gallon tank. It is estimated that the tank will require pumping three times per year. Payment will be made on a per

pump basis.

V. GENERAL SPECIFICATIONS AND CONDITIONS

1. **INSPECTION OF LOCATIONS** – Before submitting a bid, bidders shall be held to have examined the locations specified herein where the work is to be performed, and become satisfied as to the existing conditions under which a contractor will be obliged to operate. No allowance shall be made on behalf of the bidder and/or contract for any negligence on their part.

2. **INSURANCE REQUIREMENTS** - See pages 10 and 11.

3. AWARD CRITERIA

- A. Responsiveness to bid
- B. Cost
- C. Type and condition of equipment to be used in performing subcontract

4. **AWARD** - Upon notification of subcontract award by the OCRC, the subcontractor shall submit to the OCRC all required insurance certificates to the OCRC designated representative, and other documentation as may be requested or required hereunder. Upon their receipt and subsequent approval, the OCRC will forward to the subcontractor a written notice to proceed and an executed copy of the subcontract. Work shall NOT be started until such notice to proceed is received by the contractor and a pre-maintenance meeting, if determined necessary by OCRC, is held.

5. PRE-MAINTENANCE MEETING

If determined necessary by OCRC, prior to starting any work on the contract, a meeting will be called by OCRC and/or MDOT to discuss contract provisions. The contractor shall be required to submit a complete list, by brand name, of all supplies to be used in fulfilling this subcontract. OCRC and/or MDOT reserves the right to accept or reject these items. The contractor's designated supervisor shall be identified at this meeting. A walk around the park grounds by the contractor, MDOT and OCRC representatives shall take place. Contractor is required to identify any existing damages to landscape items at this time.

6. SUBCONTRACT ADMINISTRATOR

The OCRC Manager, or his designated representative, shall be the subcontract administrator herein referred to as the "administrator". The administrator or his representative will inspect work items, coordinate mowing with other activities, audit billings, approve payments, oversee schedules, and generally be responsible for overseeing the execution of the subcontract.

7. COORDINATION WITH OTHER ACTIVITIES

Other work performed by MDOT, OCRC, or other contractors may occur during the life of this subcontract, therefore, the subcontractor shall be responsible for contacting the administrator one

(1) work day in advance of each lawn mowing cycle. No mowing will be allowed on Saturdays or Sundays unless prior approval is obtained from the administrator. No mowing will be allowed on holidays, or holiday weekends from 3:00 PM Friday until 8:00 AM Tuesday. The subcontractor shall perform work after coordination with the administrator on date specified unless inclement weather or wet conditions exist, at which time alternate arrangements shall be made with the administrator.

8. PAYMENT

A. All contractor work shall be accomplished per specifications herein to the satisfaction of the OCRC designated representative prior to payment for services.

B. The contractor shall furnish an invoice for services rendered every month and shall be sent to:

bcurtis@ogemawcrc.org (preferred method)

or

Ogemaw County Road Commission
PO Box 157
West Branch, MI 48661

Invoices shall reference the subcontract and are due by the 5th of each month. OCRC will pay the amount monthly in accordance with the bid rates. Payment will be in the form of a check.

C. The contractor must provide a copy of any septic pumping invoices in addition to their monthly invoice.

D. If all work is not done in accordance with specifications, payment will be withheld until corrected.

9. SUBCONTRACTOR STATUS

The subcontractor and his/her employees at all times shall be considered an independent contractor and not OCRC or MDOT employees. As an independent contractor, the subcontractor's payment under this subcontract shall not be subject to any withholding for tax, social security, or other purposes; nor, shall the subcontractor or his/her employees be entitled to sick leave, pension benefits, vacation, medical benefits, life insurance, or unemployment compensation or the like from MDOT or OCRC.

The subcontractor shall exercise all supervisory and general control over all day-to-day operations of his/her employees, including control over all workers duties. The contractor shall also be responsible for payment of all wages to employees, taxes and fringe benefits, and shall

discipline employees, as needed including firing and hiring.

10. CANCELLATION OPTION

The OCRC reserves the right to cancel the subcontract by giving thirty (30) days written notice to the contractor. If cancellation is for default of contract due to non-performance, the subcontract may be cancelled without notice.

The subcontractor may cancel the contract by giving OCRC thirty (30) days written notice of such intention.

All notices are effective upon date of mailing.

12. DEFAULT

Non-acceptable conditions - Should a daily inspection by the administrator's representative reveal that the subcontractor's work results in any non-acceptable maintenance condition:

1. The administrator at the time of the first circumstance shall call for a meeting with the subcontractor to review the condition.
2. Should a second non-acceptable condition develop, a second meeting will be held. A letter of warning will follow.
3. Should a third non-acceptable condition develop, a written notice of termination will be sent to the subcontractor.

In the event of such termination, OCRC may deem it appropriate to perform services similar to those so terminated. The subcontractor shall be liable to the MDOT for any excess costs for such services. The subcontractor shall not be liable for any increased cost if failure to perform the subcontract arises out of any cause beyond his/her control and without his/her fault or negligence.

13. CHANGES AND/OR CONTRACT MODIFICATIONS

The OCRC reserves the right to increase or decrease services, or to make any changes necessary, at any time during the duration of this subcontract, or any negotiated extension thereof.

Price adjustments due to any of the foregoing changes shall be on a pro-rated basis based on this bid/subcontract. Prices for extra work requested during this subcontract, which are not part of this subcontract, will be negotiated at the time of occurrence.

Changes of any nature after the award, which reflects an increase or decrease in requirements of costs shall require a written advice of change to be issued by OCRC. **SUCH CHANGES, IF PERFORMED IN ADVANCE OF OCRC APPROVAL, MAY BE SUBJECT TO DENIAL AND NON-PAYMENT.**

14. QUESTIONS

Questions relative to this bid shall be directed to Pat Reinke, 989-345-0234.

15. LAWS, ORDINANCES & REGULATIONS

The subcontractor shall keep himself/herself fully informed and shall comply with all local, state and federal laws, ordinances and regulations.

16. PERMITS AND LICENSES

Any permits, licenses, certificates or fees required for the performance of the work, shall be obtained and paid for by the subcontractor.

17. INDUSTRY RULES AND CODES

All work shall be done in compliance with the applicable rules of the industry, which shall be considered as included in these specifications, and shall comply with all local and state codes.

18. PROTECTION OF PROPERTY

The subcontractor shall be responsible for protecting and preserving from damage any and all facilities, public and private, which are adjacent to the areas where work is being performed.

19. DAMAGES

The contractor shall be held liable for all damage done to fixed objects such as signs, posts, buildings, and all vegetation including turf, trees, shrubs, and desirable natural growth. Damage shall include among other things: skinning, scraping, limbing or gouging of trees or shrubs, and rutting, scalping or tearing turf. Costs associated with damages caused by the contractor to plant material will be assessed based on current M.F.P.A. Michigan Tree Evaluation guidelines.

All turf damage repairs shall be made by the subcontractor in accordance with Sections 816 and 917 of the 2012 Standard Specifications for Construction, as herein specified. Only friable topsoil shall be used to fill any depressions, ruts, etc., prior to seeding. Seeding will only be allowed during the seasonal limitation periods.

All other property damage will be assessed for actual replacement costs including labor, materials and equipment.

Subcontractor shall be billed for all costs related to damages caused by his/her operation.

20. EQUIPMENT AND MATERIALS, INSPECTION AND LIABILITY

The administrator shall have the right to inspect all equipment and materials which is to be used in carrying out the terms of this contract. Any such equipment or materials which do not comply

with local, state and federal codes or with this subcontract may be rejected by OCRC.

21. SAFETY EQUIPMENT, PROPER CLOTHING AND APPEARANCE

All personnel working on the grounds shall be responsible for wearing safety equipment as per MIOSHA requirements. Proper clothing such as shirts, long pants, eye protection, and work boots shall be worn at all times. All personnel shall maintain a clean and neat appearance.

22. ACCIDENTS

Any accidents on the premises shall be reported immediately to the administrator or his representative at the following number: 989-345-0234. Off hours cell phone numbers will be provided.

VI. SCOPE OF WORK AND SEPARATION OF RESPONSIBILITIES

1. SUBCONTRACTOR GENERAL RESPONSIBILITIES AND REQUIREMENTS

The contractor shall be responsible for the satisfactory and complete execution of the work in accordance with the true intent of these specifications. He/she shall provide, without extra charge, all incidental items required as a part of the work even though not particularly specified or indicated.

The subcontractor's responsibility is to protect the Department's property at all times and to use only such materials and treatments as will enhance the appearance of the grounds.

THE USE OF PESTICIDES BY THE CONTRACTOR IS PROHIBITED FOR ANY OF THE WORK TASKS INCLUDED IN THIS SUBCONTRACT.
