**Re:** Transportation Permit Processing Changes

---

The County Road Association (CRA) has partnered with Oxcart Permit Systems to process transportation permits, which is much more efficient and effective. To login or setup your account, please visit Oxcart's website at: <https://www.oxcartpermits.com/>

Starting Monday, May 21, 2018, the Ogemaw County Road Commission will be transitioning over to the Oxcart Permit System for processing and payments of all our transportation permits. We will be allowing a 2-week period for this transition, after Monday, June 4, 2018 we will no longer accept paper permits in-house, all transportation permits will have to be processed through Oxcart Permit System.

Oxcart does not have a tracking system for insurance certificates; therefore your company must have one on file with the Ogemaw County Road Commission before we will approve your permit. If your insurance is not current, we have the right to deny your permit.

We also have the right to deny your permit if we do not approve of your route.

If you have any questions, please contact us.
